Sept 2015 - Aug 2016

OUR ALUMNI  
ARE GRITTY AND  
SERVICE ORIENTED  
LEADERS.

NOW

*What's inside:* The future of Wild Earth  
Financial summary *and more*

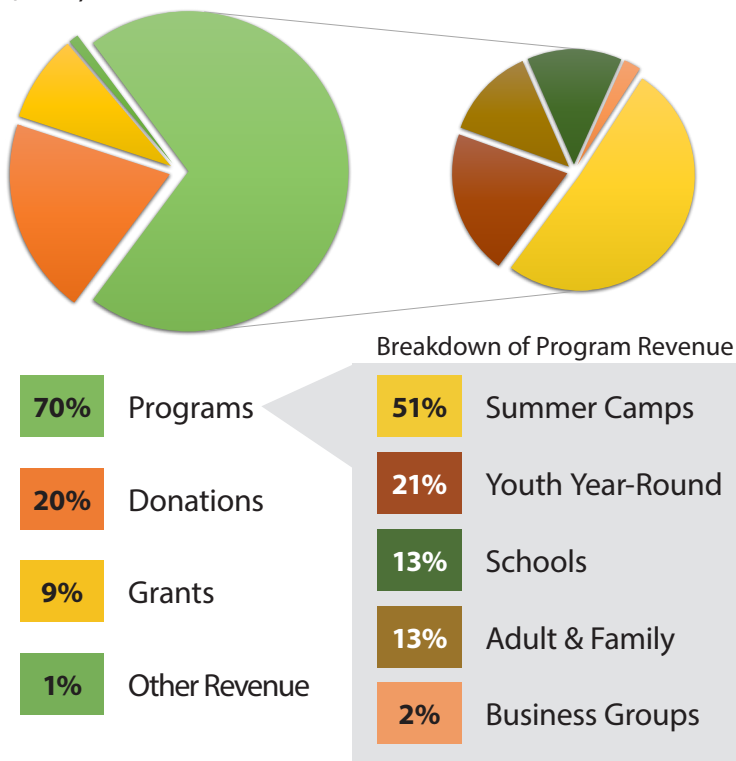

## This year Wild Earth has...

- Provided nature connection programs to over 1,500 people throughout the Hudson Valley.
- Brought every 5<sup>th</sup> grader from the Kingston City School District into the wilderness for days filled with experiential learning. This year, every 5<sup>th</sup> & 6<sup>th</sup> grader, more than 1,000 students are attending.
- Collaborated and engaged with community organizations such as Astor Services and the Newburgh Boys & Girls Club to provide our empowering programs to more of our region's under-served youth.
- Awarded \$90,000 of financial aid and discounts to ensure that Wild Earth is accessible to all.
- Employed over 70 adults and teens in our local community.

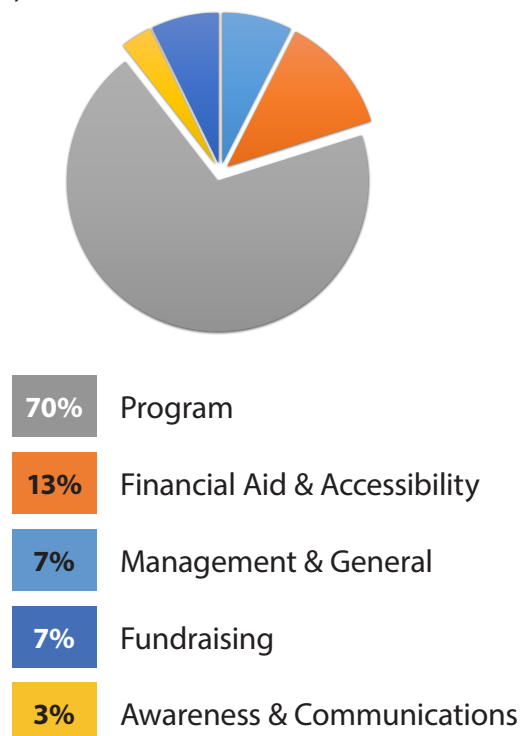

**Wild Earth programs enhance self-confidence, agency, and leadership, nurture relationships between youth, their peers, and adult mentors, and foster a deep connection to the Earth.**

## WILD EARTH FINANCIALS

### 2016 Consolidated Unaudited Operating Revenues: \$768,000

### 2016 Consolidated Unaudited Operating Expenses: \$711,000

In the past thirteen years, we've seen Wild Earth's program create gritty, inspired, and service-oriented young leaders. **This year, we're bringing Wild Earth's transformative program to 1,000 under-served youth in the city of Kingston, NY.**

After two years of piloting our programs in the Kingston City School District, Wild Earth has developed an ambitious four-year project to bring every Kingston middle school student outdoors for nature immersion programming that builds character, leadership, and meaningful connections.

This project will provide over 200,000 participant hours of experiential education to under-served youth, 60% of whom are classified as economically disadvantaged. In many cases, these children have never had the opportunity to play and explore in the woods. Scenic Hudson provided access to conserved lands to make this initiative possible.

### When fully implemented, more than 2,000 Kingston students will receive:

- Full-day Wild Earth experiences on pristine land at start and end of each academic year.
- Wild Earth instructor guided recess at school.
- On-site after-school programming for the most economically disadvantaged students.
- Training and employment opportunities as peer-mentors at Wild Earth programs.

### KINGSTON PROJECT PARTNERS:

We Inspire. We Educate. We Graduate.  
All Students. All of the Time

land ■ parks ■ advocacy

As part of Wild Earth's commitment to responsibly impact our world, this annual report is printed on 100% post-consumer waste paper that was processed chlorine-free, manufactured with biogas energy, and is free of ancient or endangered forest fiber.
